

同愛記念病院呼吸器外科・大村兼志郎医師が日本全国の呼吸器外科医（235名）が参加した手技向上プロジェクト

「Thoracic Competition Quest(縫合・結紮コンテスト)」で見事優勝しました。

The banner features the logo of the Japanese Association for Chest Surgery on the left and the 'NEXT' logo on the right. The central text reads '手技動画をアップロードして日本一を目指そう!' (Upload your skill videos and aim for the top in Japan!). Below this, 'Thoracic Competition Quest' is written in large bold letters with an upward-pointing arrow icon. Underneath, it says '呼吸器外科手技向上プロジェクト' (Respiratory Surgery Skill Improvement Project) and '結果発表' (Result Announcement) in a large, stylized font. At the bottom, a message says 'たくさんのご参加ありがとうございました' (Thank you very much for your participation).
